

# **SAND MASK™ STENCIL**

**Description**

High quality computer-cut, durable stencil coated with an advanced pressure-sensitive adhesive and backed with a clear polyester liner. Designed for precision cutting in slot-hole pattern Gerber 15" and 30" plotter machines. The 15" widths will also track accurately in IBM-pattern and friction-fed cutters.

KAPCO #6116 is a high tack water-based adhesive coated stencil designed and recommended for application on raw/unfinished hardwood, HDU foamboard, brick and rough stone. Not intended for use on marble, granite or polished surfaces. Water-based acrylic adhesive may transfer to pre-treated/painted surfaces or cause soft woods to splinter upon removal. 30" widths will only track on large pin plotter. Replacement for #125 in Gerber plotters applications.

KAPCO #6117 is a medium tack rubber-based adhesive coated stencil designed and recommended for application on for use on polished marble and granite, primed/painted wood and HDU foamboard. Excellent choice for deep sandblast etching of glass. For optimum performance on stone, use with #22 or #333 Stencil Fillers. Replacement for #111 in Gerber plotter applications.

**Physical Properties**

The following information on physical and chemical characteristics is based upon tests believed to be reliable. The values are intended only as a source of information. They are given without guarantee and do not constitute a warranty. The purchaser should independently determine, prior to use, the suitability of this material for his/her specific purpose. (Data represents averages and is not intended for use as a specification).

## GRAPHIC PRODUCTS DATA SHEET

### **Standard Warranty**

All statements, technical information and recommendations about Kapco products are based upon tests believed to be reliable but do not constitute a guarantee or warranty. All Kapco products are sold with the understanding that the Purchaser has independently determined the suitability of such product for its purposes. Kapco products are warranted to be free from defects in material and workmanship for either one year (or the period stated on the specific product information literature in effect at time of delivery, if longer) from date of shipment if said product is properly stored and applied. It is expressly agreed and understood that Kapco's sole obligation and Purchaser's exclusive remedy under this warranty, under any other warranty, express or implied, or otherwise, shall be limited to repair or replacement of defective product without charge at Kapco's plant or at the location of product (at Kapco's election), or in the event replacement or repairs is not commercially practical, to Kapco's issuing Purchaser a credit reasonable in light of the defect in the product.

Kapco's liability for defective products shall not exceed the purchase price paid therefore by Purchaser and in no event shall Kapco be responsible for any incidental or consequential damages whether foreseeable or not, caused by defects in such product, whether such damage occurs or is discovered before or after replacement or credit, and whether or not such damage is caused by Kapco's negligence.

No express warranties and no implied warranties, whether of merchantability or fitness for any particular use, or otherwise (except as to title) other than those expressly set forth above which are made expressly in lieu of all other warranties, shall apply to products sold by Kapco. Kapco specifically disclaims and excludes all other such warranties, no waiver, alteration, addition or modification of the foregoing conditions shall be valid unless made in writing and manually signed by an officer of Kapco.
